

Our faith votes, whether we cast a ballot or not.

One of our key “centers of influence” is churches. So we’ve launched [Our Church Votes](#) - a catalyst for helping individual believers and churches equip their congregations this election season, so that we can ensure biblical values are championed from the pew to the voting booth.

Take a look at our [Church Resource Center](#) where we have free resources from pastors and downloads for churches to use so that they can easily participate in Voter Registration Sunday and equip their congregation to stand for God’s truth. And Fox News wrote a great article on our brand-new initiative that you can read [here](#).

Our vision is to resource churches to engage Christians to pray, think biblically, and go vote. We have put together all of the non-partisan voting materials for churches, but now is when we need your help. There is no one better to reach your pastor or your church community than you!

Will you help encourage and equip those in your church to vote? Visit [Our Church Votes](#) to get everything you need. Even if your church is meeting virtually, we have tremendous online resources.

I encourage you to share this resource with others who would like to join us on this mission to engage the church to stand courageously for biblical values in our country.

Together, we pray. Together, we vote. Together, we shape the future of our nation. Thank you for your support that makes this possible!

Standing with you,

Jason Yates
CEO
