**THE MORAL OUTCRY TO END ABORTION**

Dear Friends and Supporters,

I want to see an end to *Roe v. Wade* and the Supreme Court's support of abortion. With six justices on the Court who believe that *Roe v. Wade* was wrongly decided, there has never been as great an opportunity as now. That is why I am supporting The Moral Outcry to end abortion.

The Moral Outcry Petition, founded by Melinda Thybault (pronounced "Tebo") is represented by her lawyer, Allan E. Parker, President of The Justice Foundation.

The Moral Outcry lists the five legally defensible, publicly persuadable, truthful reasons by which the Supreme Court and America could be convinced to support the reversal of *Roe v. Wade*.

I have signed the Petition at [www.themoraloutcry.com](http://www.themoraloutcry.com). Will you please join me and sign the Petition also?

Arkansas has become the first state to ban abortion based on The Moral Outcry. This almost guarantees that the case will eventually reach the Supreme Court based on these legal arguments, though only the Lord knows the exact timing. The Moral Outcry findings are part of the law itself.

In addition, The Moral Outcry Petition, through The Justice Foundation, will be working to support all states pro-life legislation which reaches the Supreme Court, whether it is a total ban like Arkansas or smaller steps. No one knows for sure which case the Supreme Court will accept when it is ready to overturn *Roe*, but The Moral Outcry will be there. Your prayers and these persuasive legal arguments will be an important factor in overturning *Roe*.

The Moral Outcry answers the question "Legally, why should *Roe v. Wade* be reversed right now?" [You can click here to watch a video of Attorney Allan Parker](#) explaining the legal analysis. The Moral Outcry is endorsed by myself and over 60 Christian and pro-life leaders.

**EVERYONE CAN AND SHOULD SIGN THE PETITION**

This is a simple way for everyone who opposes abortion to be involved in seeing it stopped. This is not political. It is justice. Under the "Law of Judicial Precedent"

co-authored by Justices Kavanaugh and Gorsuch, every signature on The Moral Outcry Petition is “severe criticism” which is a reason for overturning a Supreme Court decision. Now you can participate in this simple act and your name (but no other data) will be included in briefs at the Supreme Court demonstrating that Americans do not accept abortion.

**LET THE COURT KNOW NOW YOU DO NOT ACCEPT ABORTION.** It is a Crime Against Humanity which is one of the major reasons for severe criticism. Go to [www.themoraloutcry.com](http://www.themoraloutcry.com) and sign the Petition. It is easy.

**THANK YOU!**

Thank you for your continued support of our organization. Please keep praying and join The Moral Outcry to end abortion at [www.themoraloutcry.com](http://www.themoraloutcry.com).

Sincerely,
